

PINE CREEK HIGH SCHOOL SOFTBALL

Dear Community Supporter,

My name is _____ and I am a member of the Pine Creek High School Softball team. As we all know, the funds for public school sports programs are very limited. My fellow teammates, parents and I must raise additional funds required for another successful year. We are not asking for a hand-out but for an investment in some really talented student athletes.

The Pine Creek Eagles have maintained a highly competitive level of play and have won the 5A Metro League title 5 out of the last 6 years. We went undefeated in League play last year and competed in the Regional tournament. Our hard work and commitment will enable us to compete for the League title once again!

We are asking friends, family and local businesses to sponsor our team for the 2018 season. Your sponsorship will help support the growth of our softball program as we need to purchase additional gear, equipment, and continue to improve our facility and field. We appreciate your consideration and hope you'll be able to help our program grow!

Please contact Janelle Krohn at the email listed below for further information. We look forward to working with you.
